## VALORY: A SEDUCTIVE & MYSTERIOUS LADY

Dear Voluptuous,

Just wanted to chime in

with my

thoughts on

Valory Irene.

Wow, this chick

really is the

business. I loved

her layout in the

February 2011

SCORE and can't

believe how dif-

ferent-yet still

completely deli-

cious-she looks in

February 2011 V-mag. All the talk is of

her incredible rack (And rightly so!)

but am I alone in noticing how utterly

drop-dead gorgeous she is facially?

She has the sort of enigmatic, seduc-

tive, mysterious and yet

approachable look in her

eyes that I can attribute

to very, very few

models. The leg-

endary Cindy

Cupps comes to

mind when I look

at Valory-the obvi-

ous difference

being, of course,

that Cindy Cupps

was an augmented gal

while Valory's eye-pop-

ping headlamps are all

Mother Nature's own work.

Now, I'm the biggest XXX fan there

is but could I care less if Valory never

shows pink? Not a bit. She's one of those rare finds, a woman who seems almost too beautiful for porn. So early in 2011 and you've already set an extremely high watermark; I'm looking forward to seeing if you can top Valory between now and the 2011 awards (My guess is no.).

Can't scoot off without responding to a couple of the topics that were raised in the February issue's *SCOREland Blog* column.

Firstly...motorcycles, I love 'em!

Absolutely love 'em. Don't own one myself and I've never ridden one and never likely to ride one either, but show me a hottie draped over a motorcycle and my boner becomes

visible from space (almost). So I say please show more leather-clad chicks on hogs please!

Secondly, I want to touch on my favorite-or 'go-to'-pictorials. For me, pretty much any Cherry Brady pictorial will do the trick. As I'm a massive fan of the nurse fetish (and who isn't?) my absolute favourite is her nurse pictorial from the September 2007 V-Mag. But my all-time numero uno SCORE Group layout is Linsey Dawn's naughty nurse set from the August 2001 SCORE. Man, I almost turned inside out, I shot so hard over those photos. I haven't looked at it for quite some time (I have that issue in storage in my garage) but it's forever

Valory's debut in the February 2011 issue sparked a letter and E-mail frenzy from V-mag readers the likes of which we've never seen. The topic of discussion? Her puffy areolae!

etched into my mind. I don't think it's any secret that I love 'spreading' shots and I can pretty much crank one out over any model who assumes this rudest of poses. Stephanie Stalls' centerfold in the February '11 SCORE is what I call a load-blower! Always good to talk, V-Mag. Keep those titties coming!—K.S., United Kingdom

Dear Voluptuous,

I am convinced that I have witnessed a miracle and her name is Valory Irene! Just got my February 2011 issue and her debut was nothing short of a miracle. First of all, she is

gorgeous, but that doesn't even come close to describing the magnificence of her breasts. They are closer to perfection than any tits you have ever featured. Not only is the slope incredible, but the puffy areolae are mouth-watering. I am truly impressed. You have outdone yourselves. Give your staff a much-deserved pat on the back for this discovery. I hope to see more of her —J.H., via the Internet

## WHY IS ASHLEY SAGE THE QUEEN OF TEASE?

Dear Voluptuous,

I was very happy with the

February 2011 issue of V-mag despite some small road bumps. First of all, Valory Irene was stunning. She's got a perfect body. Virginia Simms has a great body and I hope she does more risqué posing in the future. Seeing Sophie Mae and Miosotis' XXX pictorial was very arousing, too.

That being said, the question I find myself asking is, 'Why is Ashley Sage the queen of tease?' Don't get me wrong, I think she is very sexy, but I am tired of her tame layouts. I want to see her pussy. I want to see it dripping wet with her cum. I want to see her asshole so I can imagine burying

Reader H.O. from Brooklyn, New York says that this shot of Ashley Sage made him blow his load right away. What do you think of tease shots like this?

my tongue in it. Can that happen?

Despite that, I must say that for someone who doesn't show off her pussy, there was one picture on page 66 that made me want to cum right away. It's the one where her panties are halfway off and she is looking over her shoulder, beckoning for me to come on over and bite her supple ass cheeks. I really appreciated that photo. I came all over it, in fact.

I really hope that she eventually stops all the teasing and starts showing off her delicious body. It's time for her to go hotter. I, for one, would buy extra copies of her magazines if she did.—H.O., Brooklyn, New York

## MORE PRAISE FOR THE FEBRUARY 2011 ISSUE

Dear *Voluptuous*,

Every time a new issue of V-mag comes out, I am never disappointed it seems. The February 2011 issue was filled with dick-hardening babes. I also want to put it out there right now that I am not above begging for Ashley Sage Ellison to take off her panties! Please! We all want to see her pussy up close! I also loved the arrival of Valory Irene. Her puffy areolae are mesmerizing. I sure cannot wait to see more of her tits, some ass and pussy spreading, too.

I was also happy to see the return of Skyie Blew! Her layout got my cock blowing cum in no time. I love her pussy and asshole so much. I would worship her meaty pussy lips with my mouth for hours! I loved seeing Sophie Mae make another appearance, too. She is smoking hot! And newcomer, Virginia Simms was nothing short of spectacular. Especially since she was wearing those G-string panties. They made me wish that she were spreading her ass cheeks wide

apart so that we could all see that thread sitting pretty on her pussy and asshole. Please bring her back soon and get her to spread wide, maybe in another G-string or in some crotchless panties. I was

also glad to see the other sexy newcomer, Lexi Summers. She has a great

# What is a QR CODE?

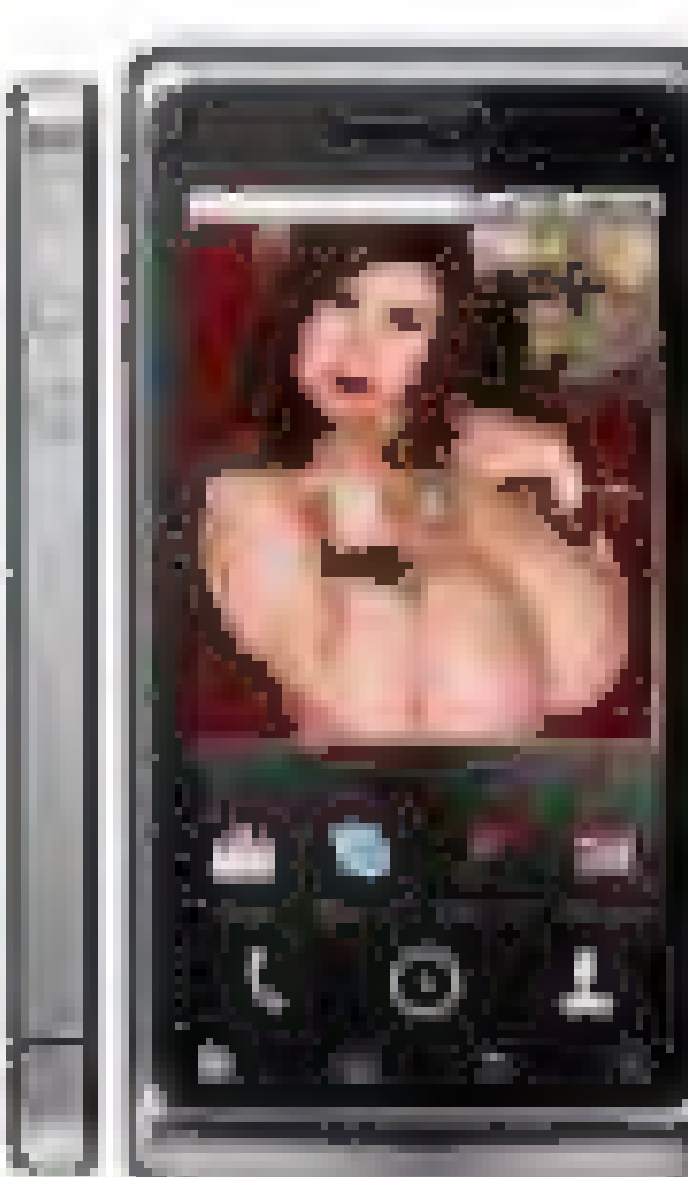

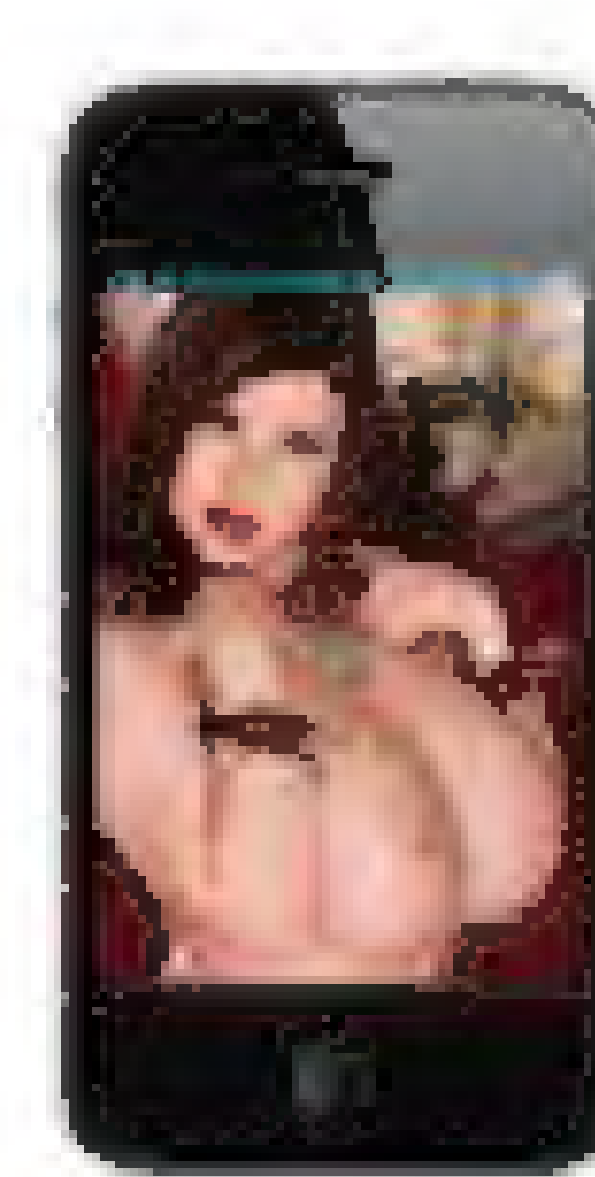

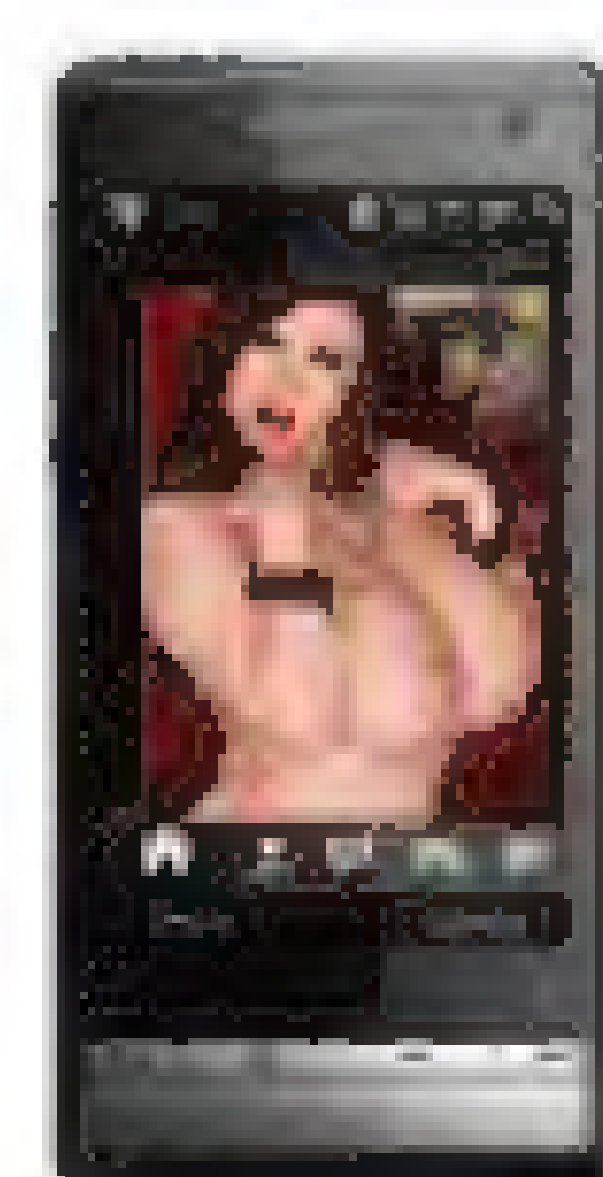

Scan the QR Code that Christy is holding to visit SCORELAND!

A QR (Quick Response) Code is a specific matrix barcode (or two-dimensional code), readable by dedicated QR Barcode readers and camera phones. The code consists of black modules arranged in a square pattern on a white background.

Here at V-mag, we have started to place QR codes on different pages and ads so that we can enhance your experience while reading the magazine. We want you to have all the information on models, movies and giveaways at your fingertips. The QR codes throughout the magazine are super-quick access shortcuts to our mobile sites, movie previews and even eBoobStore.com!

To be able to read the codes you will need to download an application to your smart (camera) phone. Once the application is installed, it's as simple as opening the App and scanning the code.

- For iPhone users we recommend "Red Laser" (search for it in the App Store, it's FREE!)
- For Android users we recommend "QR Droid" (search for it in the App Store, it's FREE!)
- For Blackberry users we recommend "Barcode Assistant" (search for it in the App Store, it's FREE!)

face and nice curvy body. I enjoyed her layout a lot.

Last but not least, the XXX pictorials of Miosotis and of pregnant April McKenzie were good. For me, I can't really jack to these pictorials because I feel the cock gets in the way, but I still think that the ladies looked really hot. I would love to see Miosotis and Kristina Milan in a hot threesome with V-mag editor, Maria Guerrero. I really love Maria. If that can't be arranged, I would settle to see Kristina and Miosotis in a steamy lezzie pictorial. I would be blowing loads to the end of time if that ever happened. Thanks for the quality magazine and for always doing a great job.—G.V. from Canada

### **JANET JADE IS HIS #1!**

Dear *Voluptuous*

Has Janet Jade appeared as a cover girl for *SCORE* or *Voluptuous*? Not that I've noticed, though there are holes in my collection. This needs to be remedied! Janet Jade is peerless! She deserves at least a cover appearance. I'm looking forward to seeing *Eat My Tits*, her

"feature" debut, so I know that she's getting due attention on the video front.

Yes, yes, there was the Holiday 2008 issue of *SCORE* where she shared the cover with FOUR other models, but that doesn't count. Maybe it would have counted if she had been the front-and-center focus of the five models, but she wasn't.

On second thought, I haven't seen Miosotis, Kristina Milan or Vanessa Del Mar on a front cover yet, either. Is this an oversight or is it the brutal reality of marketing a men's

*Continued on page 12*

Reader O.S. wants to see his favorite model, Janet Jade as the main covergirl of a future issue of V-mag. What say you, V-men? Who would you like to be the next cover girl?

mag that issues with cover girls of color don't sell as well as issues featuring a white model. If so, I guess I can understand an editor's reluctance to sour the market, but I still think it should be done when outstanding candidates are available. Besides, Miosotis, Kristina and Vanessa aren't African-American women, or even Latina women. But they're H-U-G-E - breasted women and to a SCORE-man or V-man that transcends race.

Also, you mention in V-Mail that a reader asked for Janet Jade's 411, but you don't say whether you provided the information to him. I'm going to assume not, but I'm nevertheless going to ask for the same information. I'm worth it. If that isn't possible, please provide Janet Jade with my 411. I live one (major) city over from Detroit and find myself in the Detroit suburbs every once in a while. And who knows, an invitation from the Lady herself would certainly be reason enough to increase my travel frequency. The far more realistic scenario is that we become E-mail pen pals and that would be just fine too. Thanks!-O.S., via the Internet

Dear O.S., To date, Janet Jade has not been the main cover girl of V-mag, however, she was the cover girl of her feature film, Eat My Tits and of Tits 'N' Tugs 4. As you mentioned, she has shared the cover with other models a great many times. We agree that Janet is spectacular, and look forward to featuring her as the main cover girl of a future issue soon. Alas, we cannot give out her contact information, but we are happy to publish all of her fan letters here in V-mail.

## HE WANTS MORE BABY BUMPS AND FULL BUSH!

Dear Voluptuous,

Once again you guys cum through with the greatest tit mag around. The April 2011 issue is amazing with newcomer Elaina Gregory becoming an instant candidate for 2010 Newcomer of the Year. She looks incredible.

It was also nice to see Slone Ryder back on your pages. She's one of the great ones. It would be nice to see Nicole Peters come back to V-mag. She last graced your pages in 2008 and it's been too long for fans like me. I would

### CHUBBY FUCKED

These six busty broads like it the hard way! They are thick and love having their pussies split wide open by big dicks. First up is curvy cop lady Dixie Devereaux (left) She chases down a perpetrator and then shoves her perkies in

his mug before booking him. She is one cop that doesn't fuck around...unless she wants to fuck! She gives new meaning to the term BUSTED! And when newcomer Lexi Summers (right) sits down for an interview with V-mag editor, Maria, she shows off her fuck skills for the first time on camera. This teen titter is so horny that what starts off as a BJ demonstration, ends up becoming a full-on porn scene with Lexi riding a stiff one and getting cum smeared all over her face.

Bunny

Laurella

Horny big girls come from all walks of life. Sometimes you can spot them at the club or even in the workplace. In Bunny De La Cruz's (left) case, she is just walking down the street when an opportunity to get down arises. She lets a cute guy pick her up in a parking lot while she is on her lunch break. He takes her back to his place, promising to make her something to eat, but ends up stuffing her face and her cunt with his meat, instead! And for a big girl like Bunny, that falls in line right with her big appetite for sex! Then there is Czech cutie, Laurella (right). While she might not speak a lot of English, she is certainly schooled in the language of FUCK. She gets down with a Euro porn stud and she shows us why Czech girls are notorious for their sexual prowess. They are thick and round and they're so horny that they milk cum like pros!

## CHUBBY TV FUCKED

You'll blow your load when you see how much college coed Cassidy Jai (left) loves to work a cock. She uses everything from her supple chocolate hangers to her snug, furry pussy and asshole to drain sperm from her first cock on camera. She makes sure to fuck this guy until there are geysers of cum shooting from his dick. And she is not the only chubby chick to take deliveries in the rear! Brunette babe, Kitty Lee (right) loves a stiff dick in her snug asshole, too. But first, she sucks this lucky guy's dick, jacks him off, tugs his cock with her tits and then she tells him to spear her horny asshole with it. Watching her tits bounce while her asshole slides up and down on this boner will push you over the edge! Order on page nine

also like to see Mary Louise, who graced us with her presence in 2002 (And she looked very lovely pregnant!) or Sam Springs last graced us with her lovely visage in the June 2007 issue. I would also like to see more of Deborah Blue, star of *Big Tit Overload*. And I would really like to see more of Denise Davies, who is the reason that I subscribed. There are more girls that I would like to see come back, but can't list them all.

The star of the issue was definitely Kali West. She is so incredibly hot! That beautiful baby belly, stunning blue eyes, amazing and milk-filled breasts and that AWESOME bush. Oh, imagine running your fingers through that! I bet it feels silky and smooth. I can imagine it coated in her pussy juice and my cum!

You guys should consider doing an all-preggo issue featuring some of the great preggos you have had in the magazine before. (Like Denise Davies, Lorna Morgan, the aforementioned Mary Louise, Kelly Kay and of course Kali West!) Or maybe you guys will think about doing an all bush issue, too. I don't mind a nice, shaved pussy but it's nice to see some natural hair

# TAYLOR TALKS TUG JOBS!

**Taylor Steele has never done hardcore, but this busty babe is a real pro when it comes to milking a big dick with her fist!**

Interview by **TUSHNA**

**W**e ought to warn you that Taylor Steele's first tugjob is raunchy and full of filthy jack-talk. We feel the need to voice this disclaimer since you will probably jack yourself blind after you read this tug-job tutorial given by Ms. Steele as a play-by-play to her first and only time with a cock on film. In fact, Taylor gives out her own version of a fair warning during this interview. She asks, "Are you ready for this? Because this is going to be the jerk of your life. And the tit fuck." Those are bold words, but coming from a busty gal who is as horny as Taylor, you have to believe them. And Taylor doesn't stop there

*Because she is a lady of many words, but some of our favorites are when she says, "This is fun. I like being a little whore. I'm excited to touch your cock, baby!" while she rubs her 36G titties all over this lucky stud's face. You can tell that Taylor really enjoys working man meat in this interview because if there is one thing that comes across in this skinematic masterpiece, it's that Taylor is having the time of her life. I want you to cum all over my tits, baby!” And what man could deny her that? When she gets the cum that she’s craving, she is so grateful for this load that she plays with it, rubbing it into her jugs over and over. We think that Taylor’s tit-fucking skills are A+ and we give her a gold star for exuberance, because every tit fuck should end with a smile like hers! **AYLOR STEELE:** I think they have. I have been...I've been eating a lot.

**V-MAG:** Well, it's been going to the right places, I have to say.

**AYLOR STEELE:** I'll just have to keep eating then. [Laughs.]

**V-MAG:** Now Taylor, tell us...you have been published in SCORE magazine and Voluptuous Magazine. What was your reaction when you first saw your pictorials in those mags?

**AYLOR STEELE:** I thought that the pictures were so damn hot. Sorry for saying damn. So I had to go buy, like, four magazines and show everybody and be like, 'Yo! That's my pussy!'

**V-MAG:** Now we last shot you when we flew up to Toronto, which is where you are from. Are you still in Toronto?

**AYLOR STEELE:** Yes, you did. And yes,

I am still living in Toronto.

**V-MAG:** So what are you doing up in Toronto? Are you working? Modeling?

**AYLOR STEELE:** I am not working right now. I just do odd jobs here and there to pay the bills. And I model. I am getting by. You know how it goes.

**V-MAG:** Well, tell us all about the things that you have done. What kind of jobs have you had, Taylor?

**AYLOR STEELE:** Um, I worked at McDonalds for four years. I worked at a head shop. I worked at restaurants. I have also worked at a bowling alley. I have been a bartender, too. I have worked in the food business for a long time. And that's how I grew these big tits...eating a lot. [Laughs.]

**V-MAG:** Well, it looks like you had your work cut out for you. But, now you are a model, right?

**Lusty &  
Busty  
Latina**

**Natasha Dulce**

Gentlemen, feast your peepers on the lovely, Natasha Dulce, a Latina stunner from Tampa, Florida where the weather's always nice and the city is filled with strippers, swingers and other sexually driven people. Natasha, who is Brazilian-Cuban-American by the way, told us that she loves living in Tampa because the people are sexy and wild, just like her. One look at her curves will make you feel wild, too!

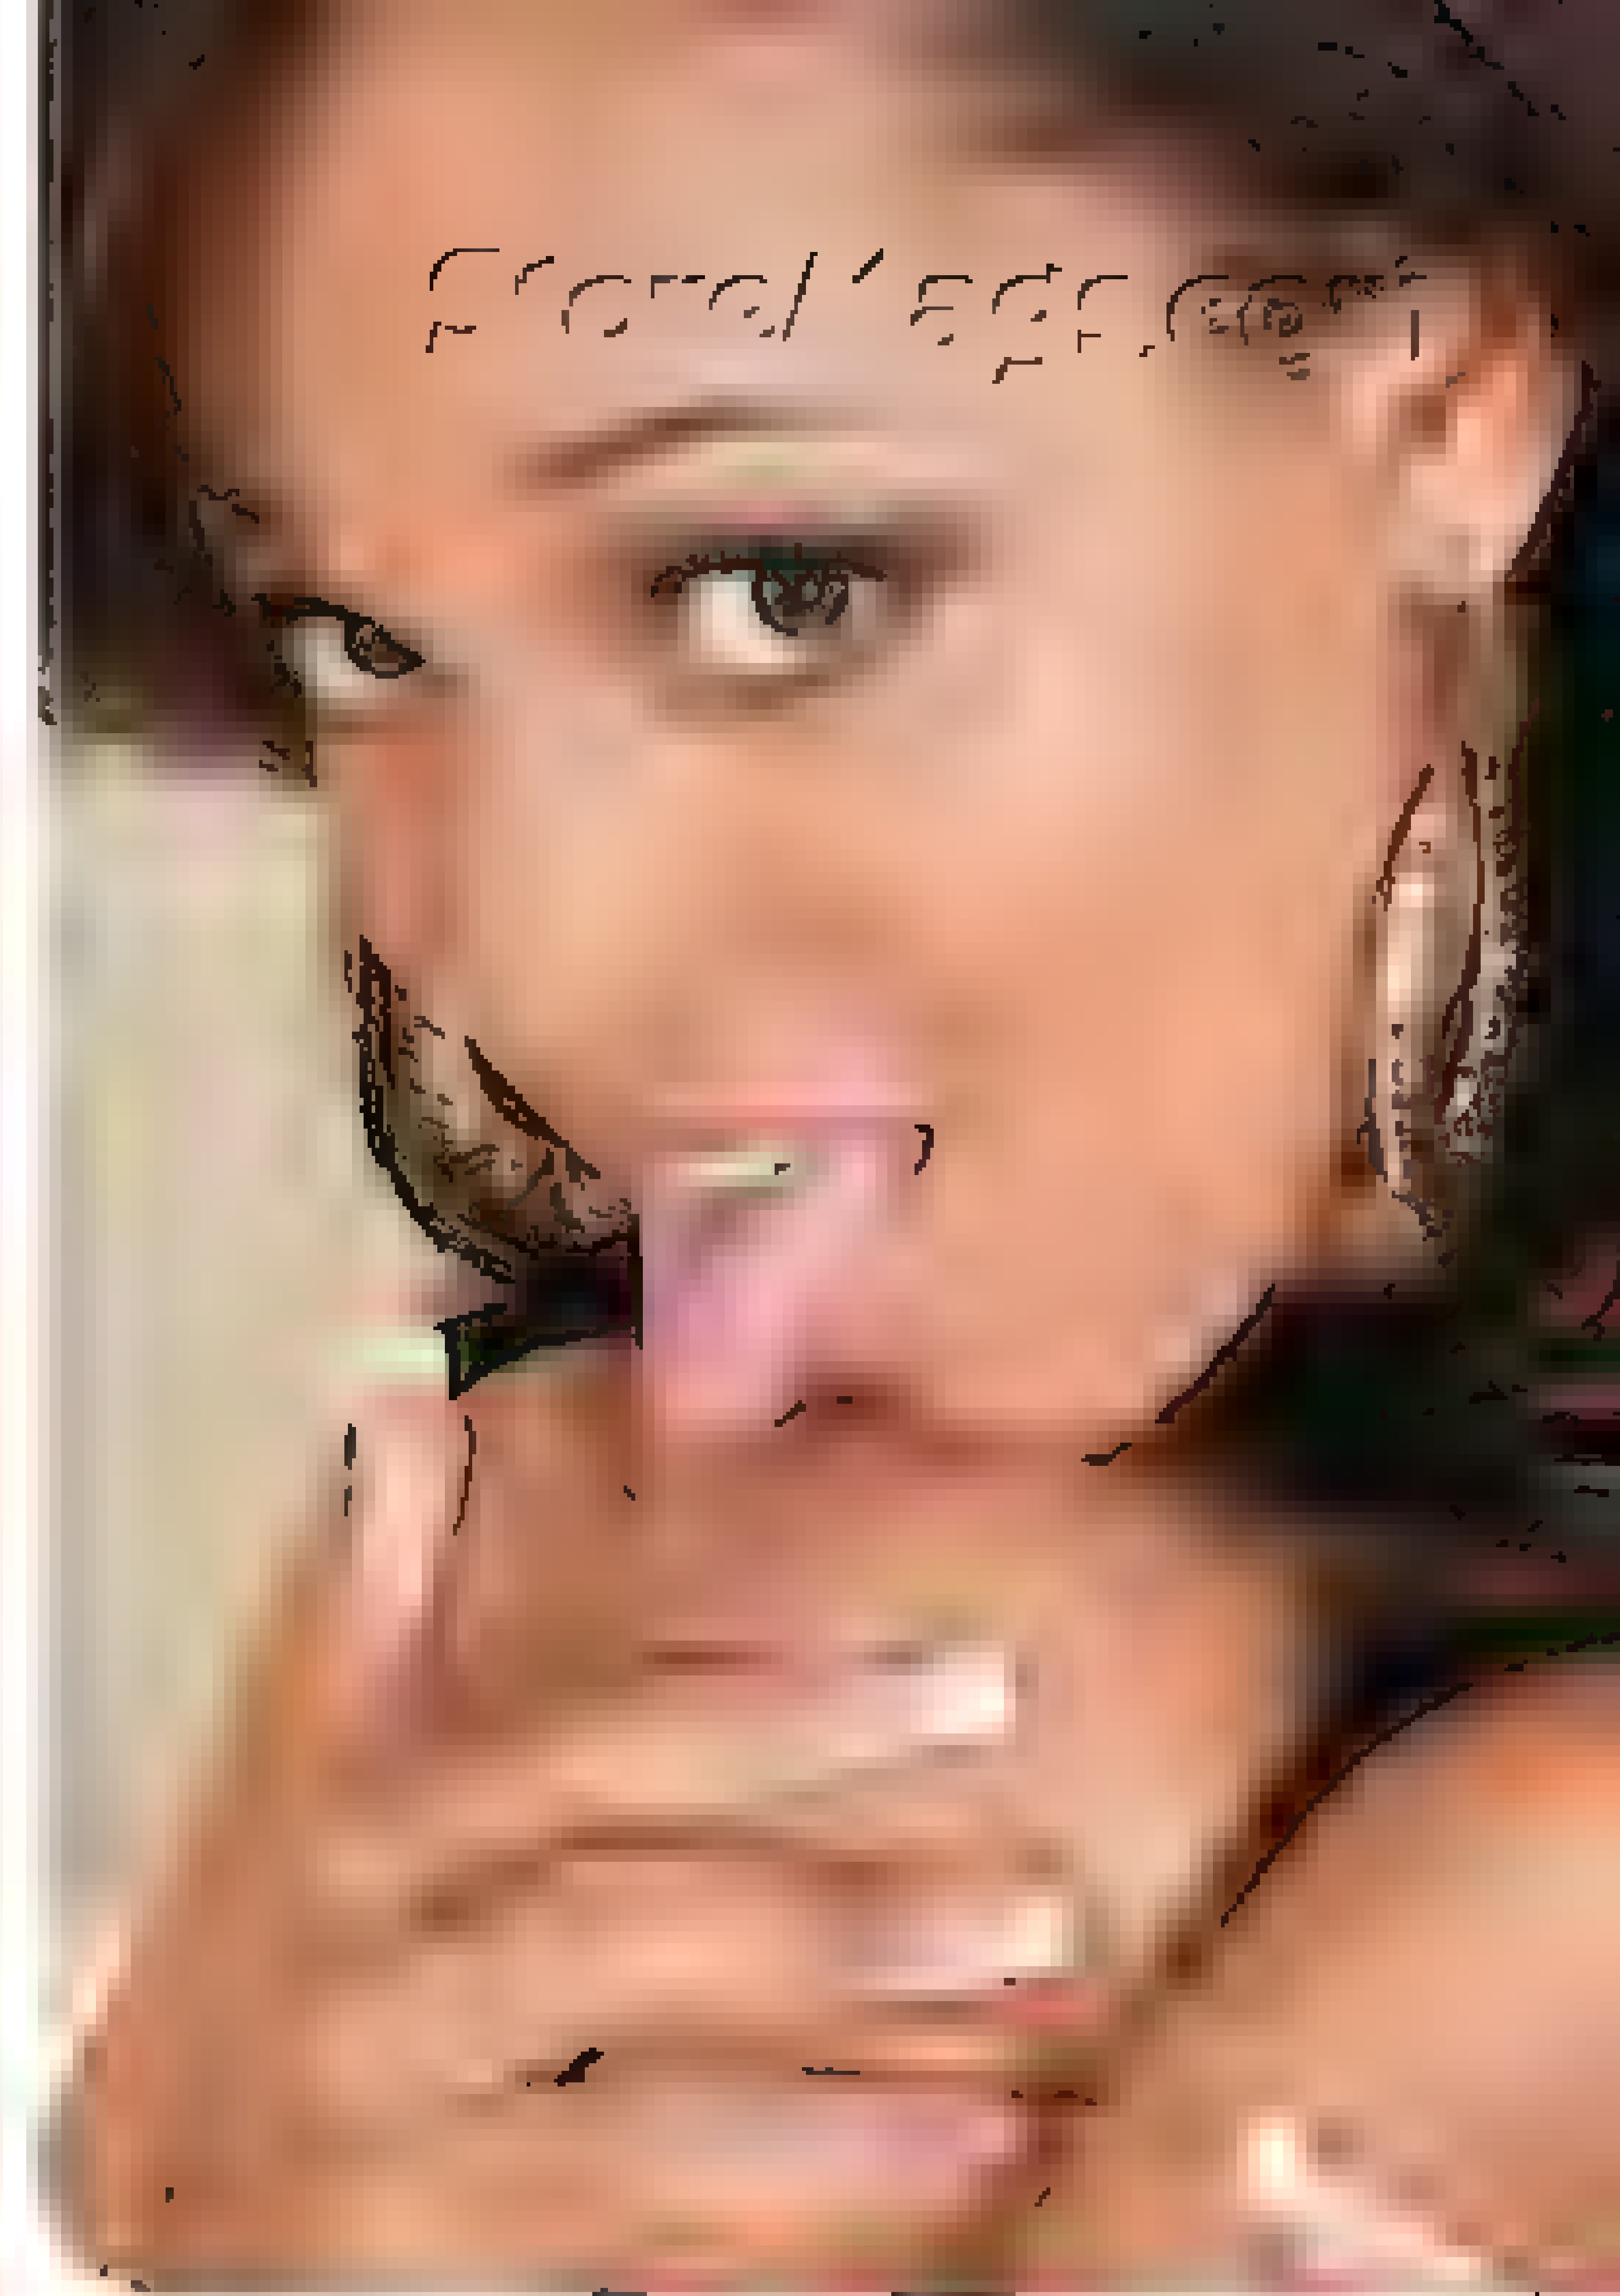

Natasha is 20 years old and started exotic dancing at 18. She currently dances at 2001 Odyssey, a totally nude club with lap dancing, and between us boob lovers, who wouldn't want Natasha straddled across their lap, grinding her pussy and mashing her tits in their face? The very idea of that brings tears to our eyes! Natasha has lovely caramel curves and is sporting a full 38DD rack with a fantastic set of brown dugs!

So, how does a nice girl like Natasha become an exotic dancer? Well, we have Ronald McDonald to thank for that, actually. You see, two years ago, Natasha was your typical American teenager. She had just graduated high school. She went to the beach, she went shopping and she liked going out dancing with her girlfriends. Then she was suddenly fired from her job for not wearing her hat. What hat? Her McDonald's hat.

"I mean, I get that I had to wear it, but it was so ugly and it messed up my hair, so I would not put it on. So, they fired me. When I suddenly had no job, I needed cash fast, so since I liked to dance, I decided to strip. It was easy and I made a lot of money doing it. And it's so fun, ~~it's like it's not even work~~."

# Sizzlin' Hot Polka Dots

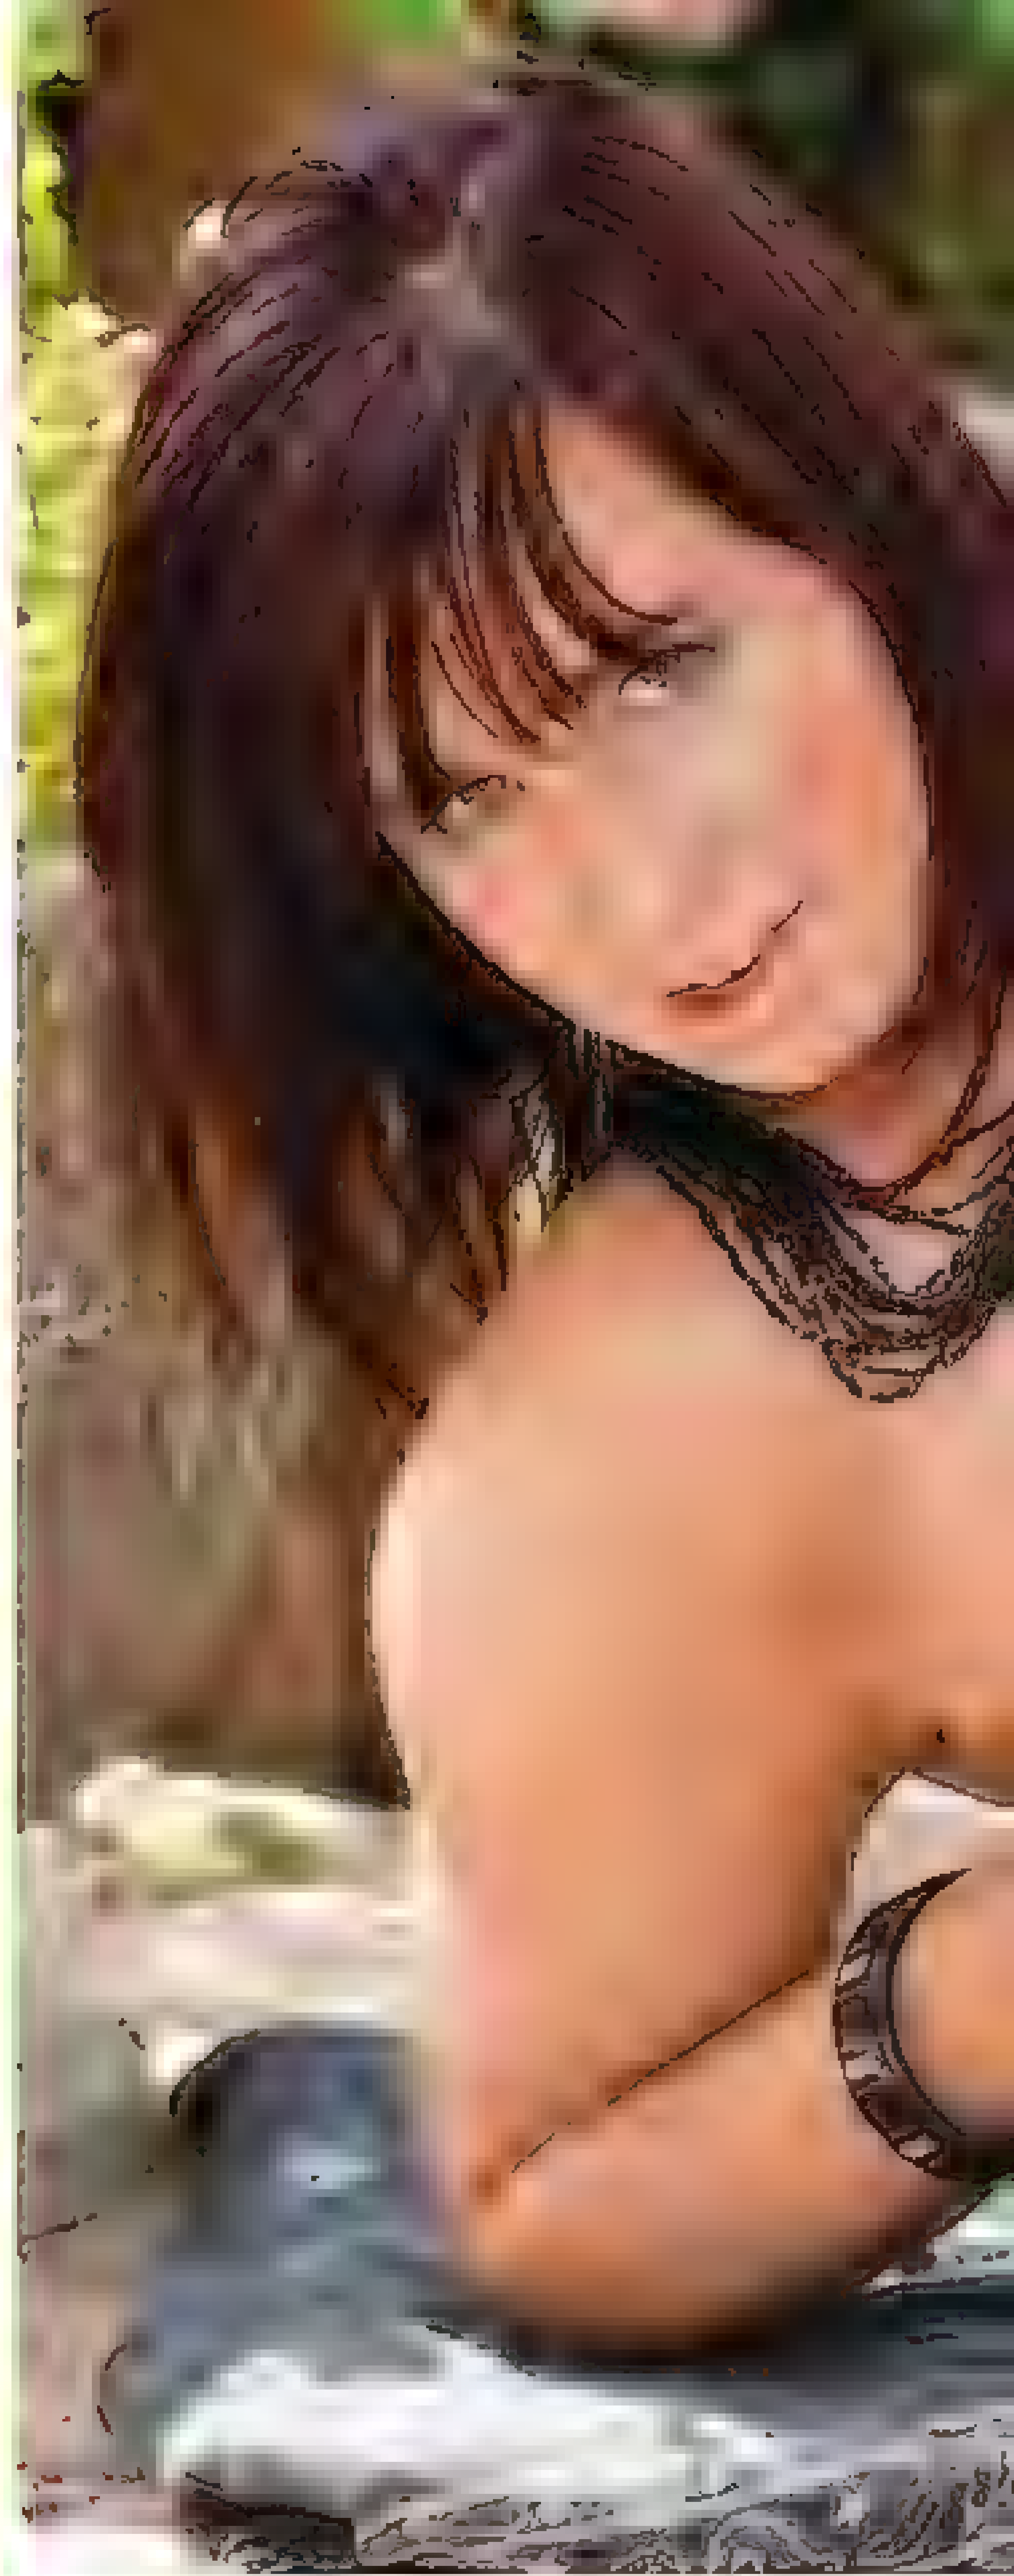

The first time that Carly appeared in V-mag in the July 2009 issue, fans went wild for this sexy babe from Manchester, England. (Home to other V-mag hottie, Ashley Sage Ellison! Must be something in the water, eh?) Now, Carly is back and showing off her lush body in that itsy-bitsy, teeny-weeny, red polka dot bikini!

“The last time that I posed, I was at University and studying a lot. Posing allowed me to pay for books and things I needed for school. But, this time I wanted to go on holiday with my girlfriends and so we all decided to pose again, for a new photographer. The other girls don’t have big breasts like I do, so they didn’t make the cut with the photographer. He told them they couldn’t be nude models. But when he saw my big breasts, I could tell that they excited him. His eyes were really big and wide. It made stripping off my clothes outside easier knowing that I was making this bloke’s cock nice and hard. I felt extra sexy showing him my boobs.”

"I think that feeling sexy made all the difference for me, while I was posing," said Carly. "The last time I posed for naughty pictures like this, I couldn't even take off my knickers because I was so nervous. But this time, when the photographer told me to take them off, I bent over and pulled them off seductively. I wanted him to see my entire naked body."

# Cherry Brady

When Cherry Brady made her comeback in the Holiday 2010 issue, we weren't prepared for the response from V-men that we have dubbed "Cherrymania." When the issue hit newsstands, our offices were flooded with letters virtually overnight. And

our inboxes were jam-packed with E-mails from Cherry's fans praising her return. We sorted through letters and started seeing a recurring theme in a lot of them; fan requests to see their favorite redhead in retro garb. And who are we to say no?

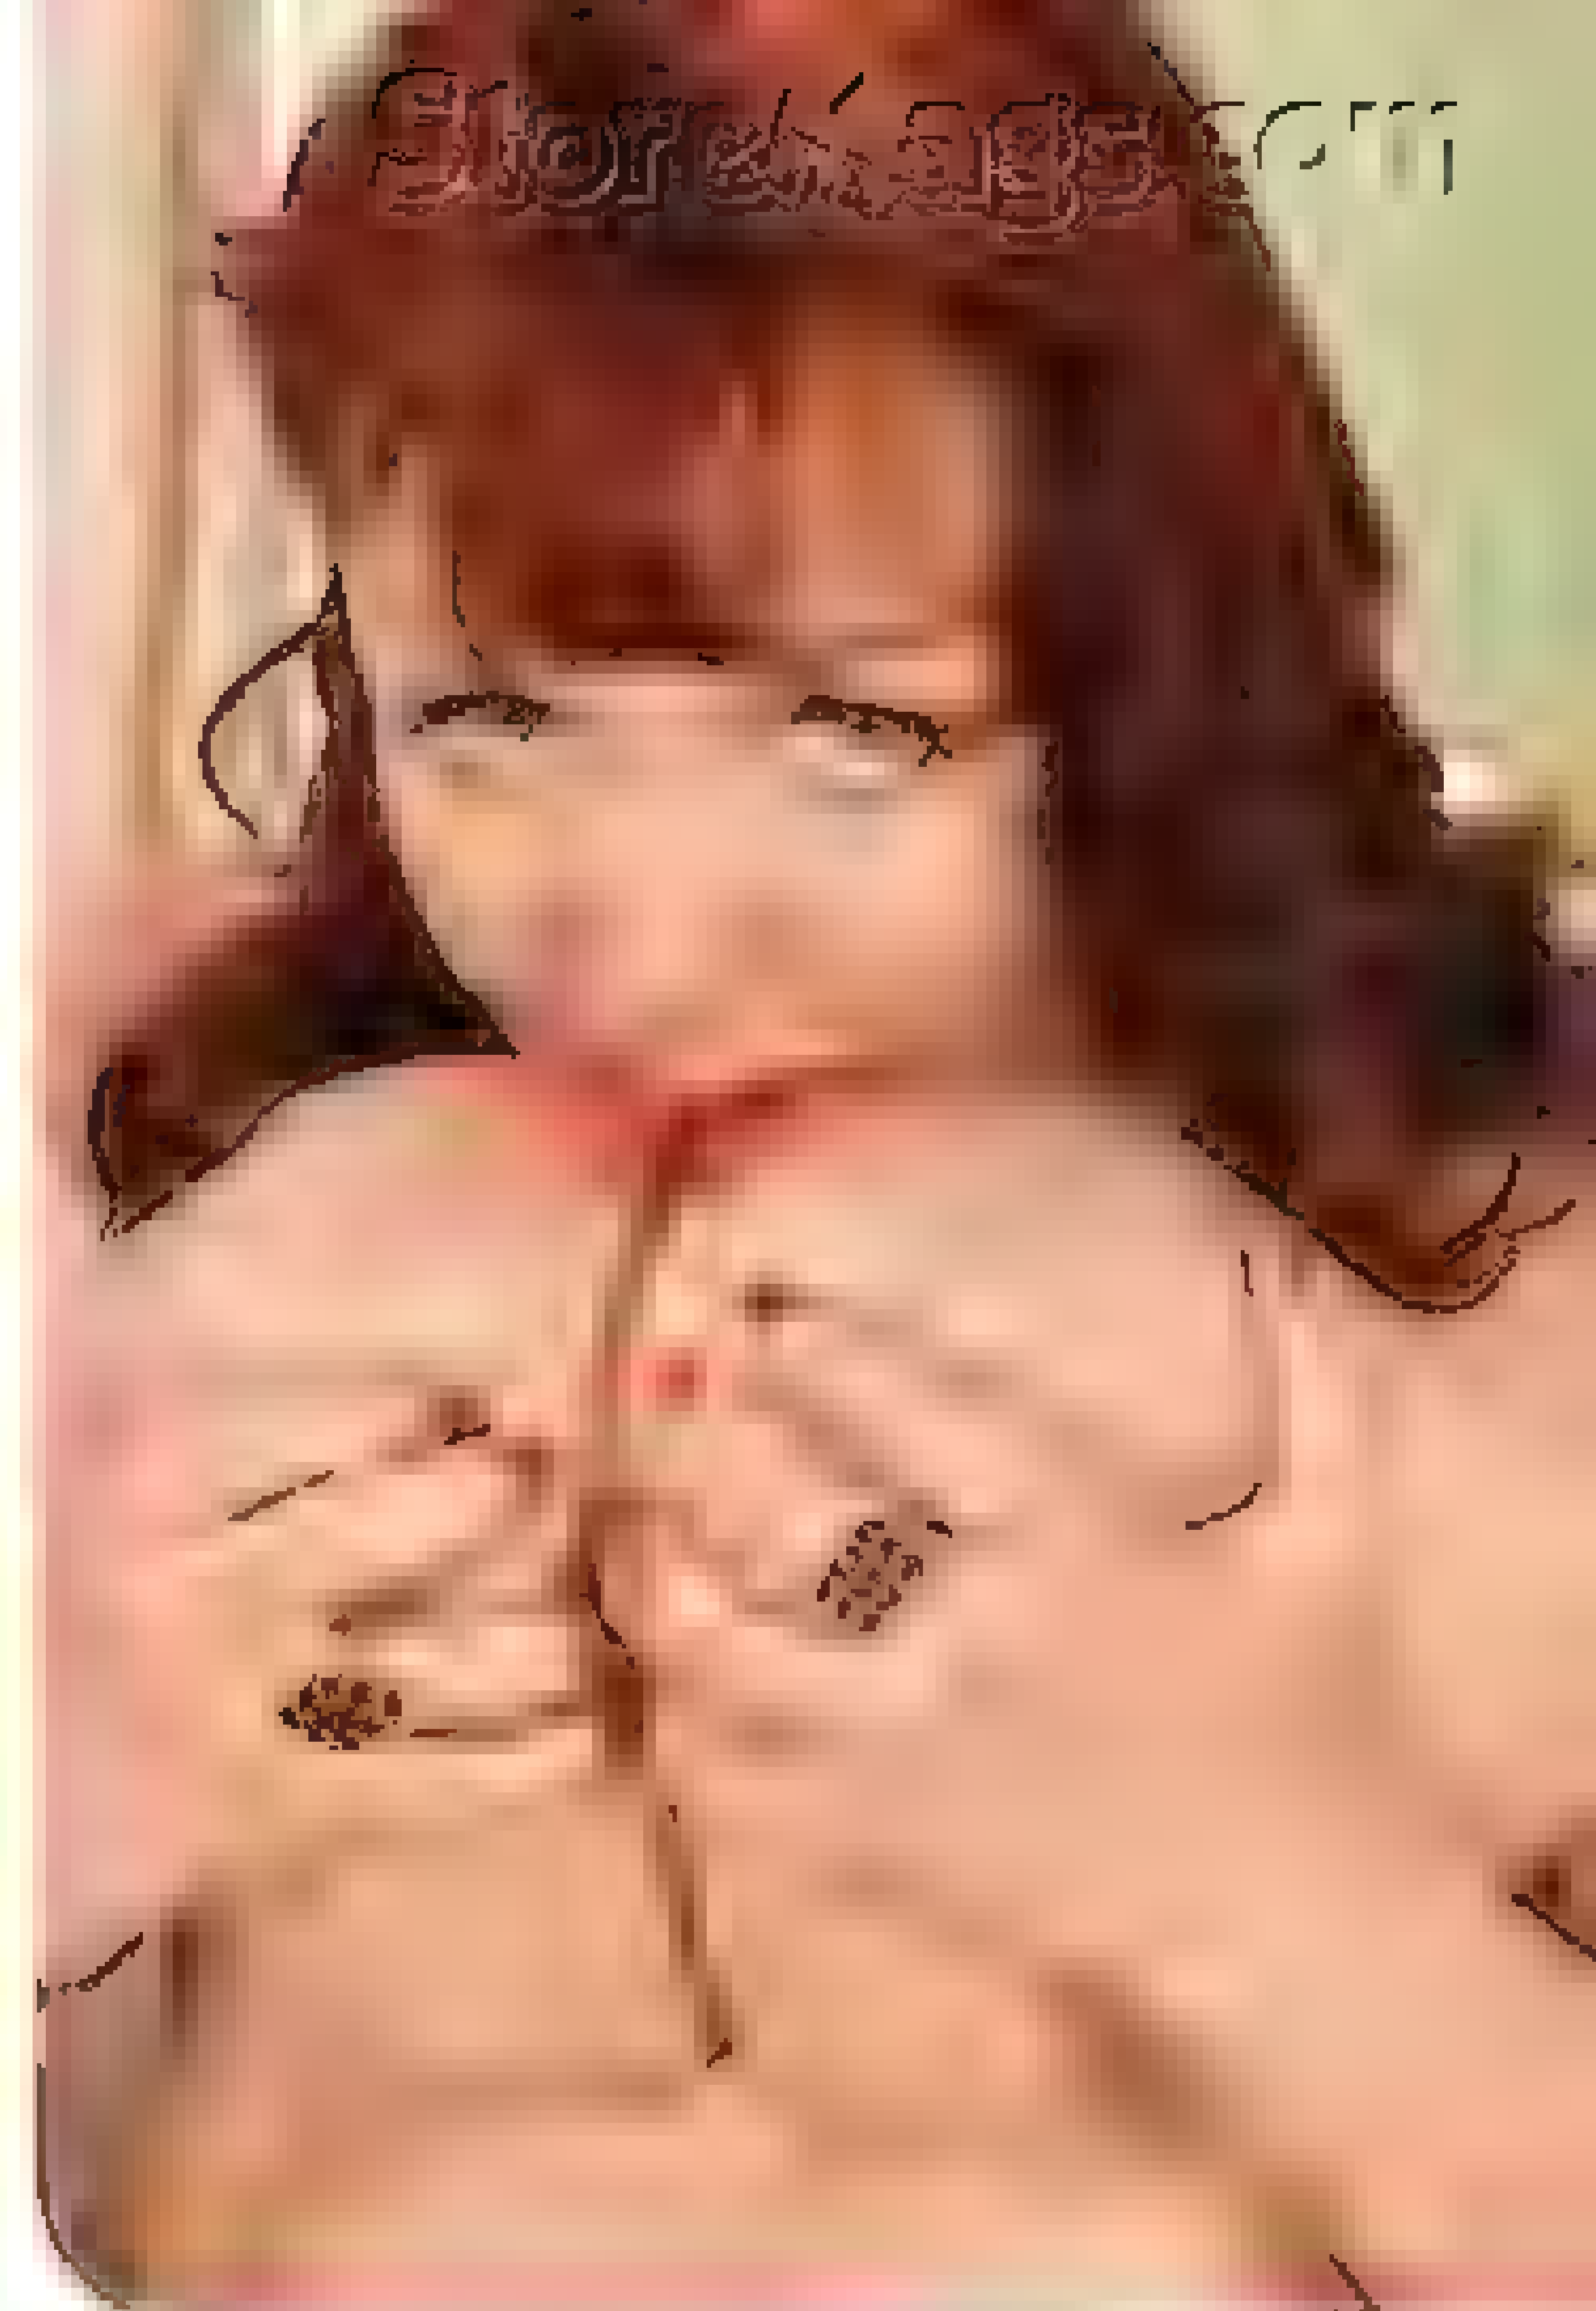

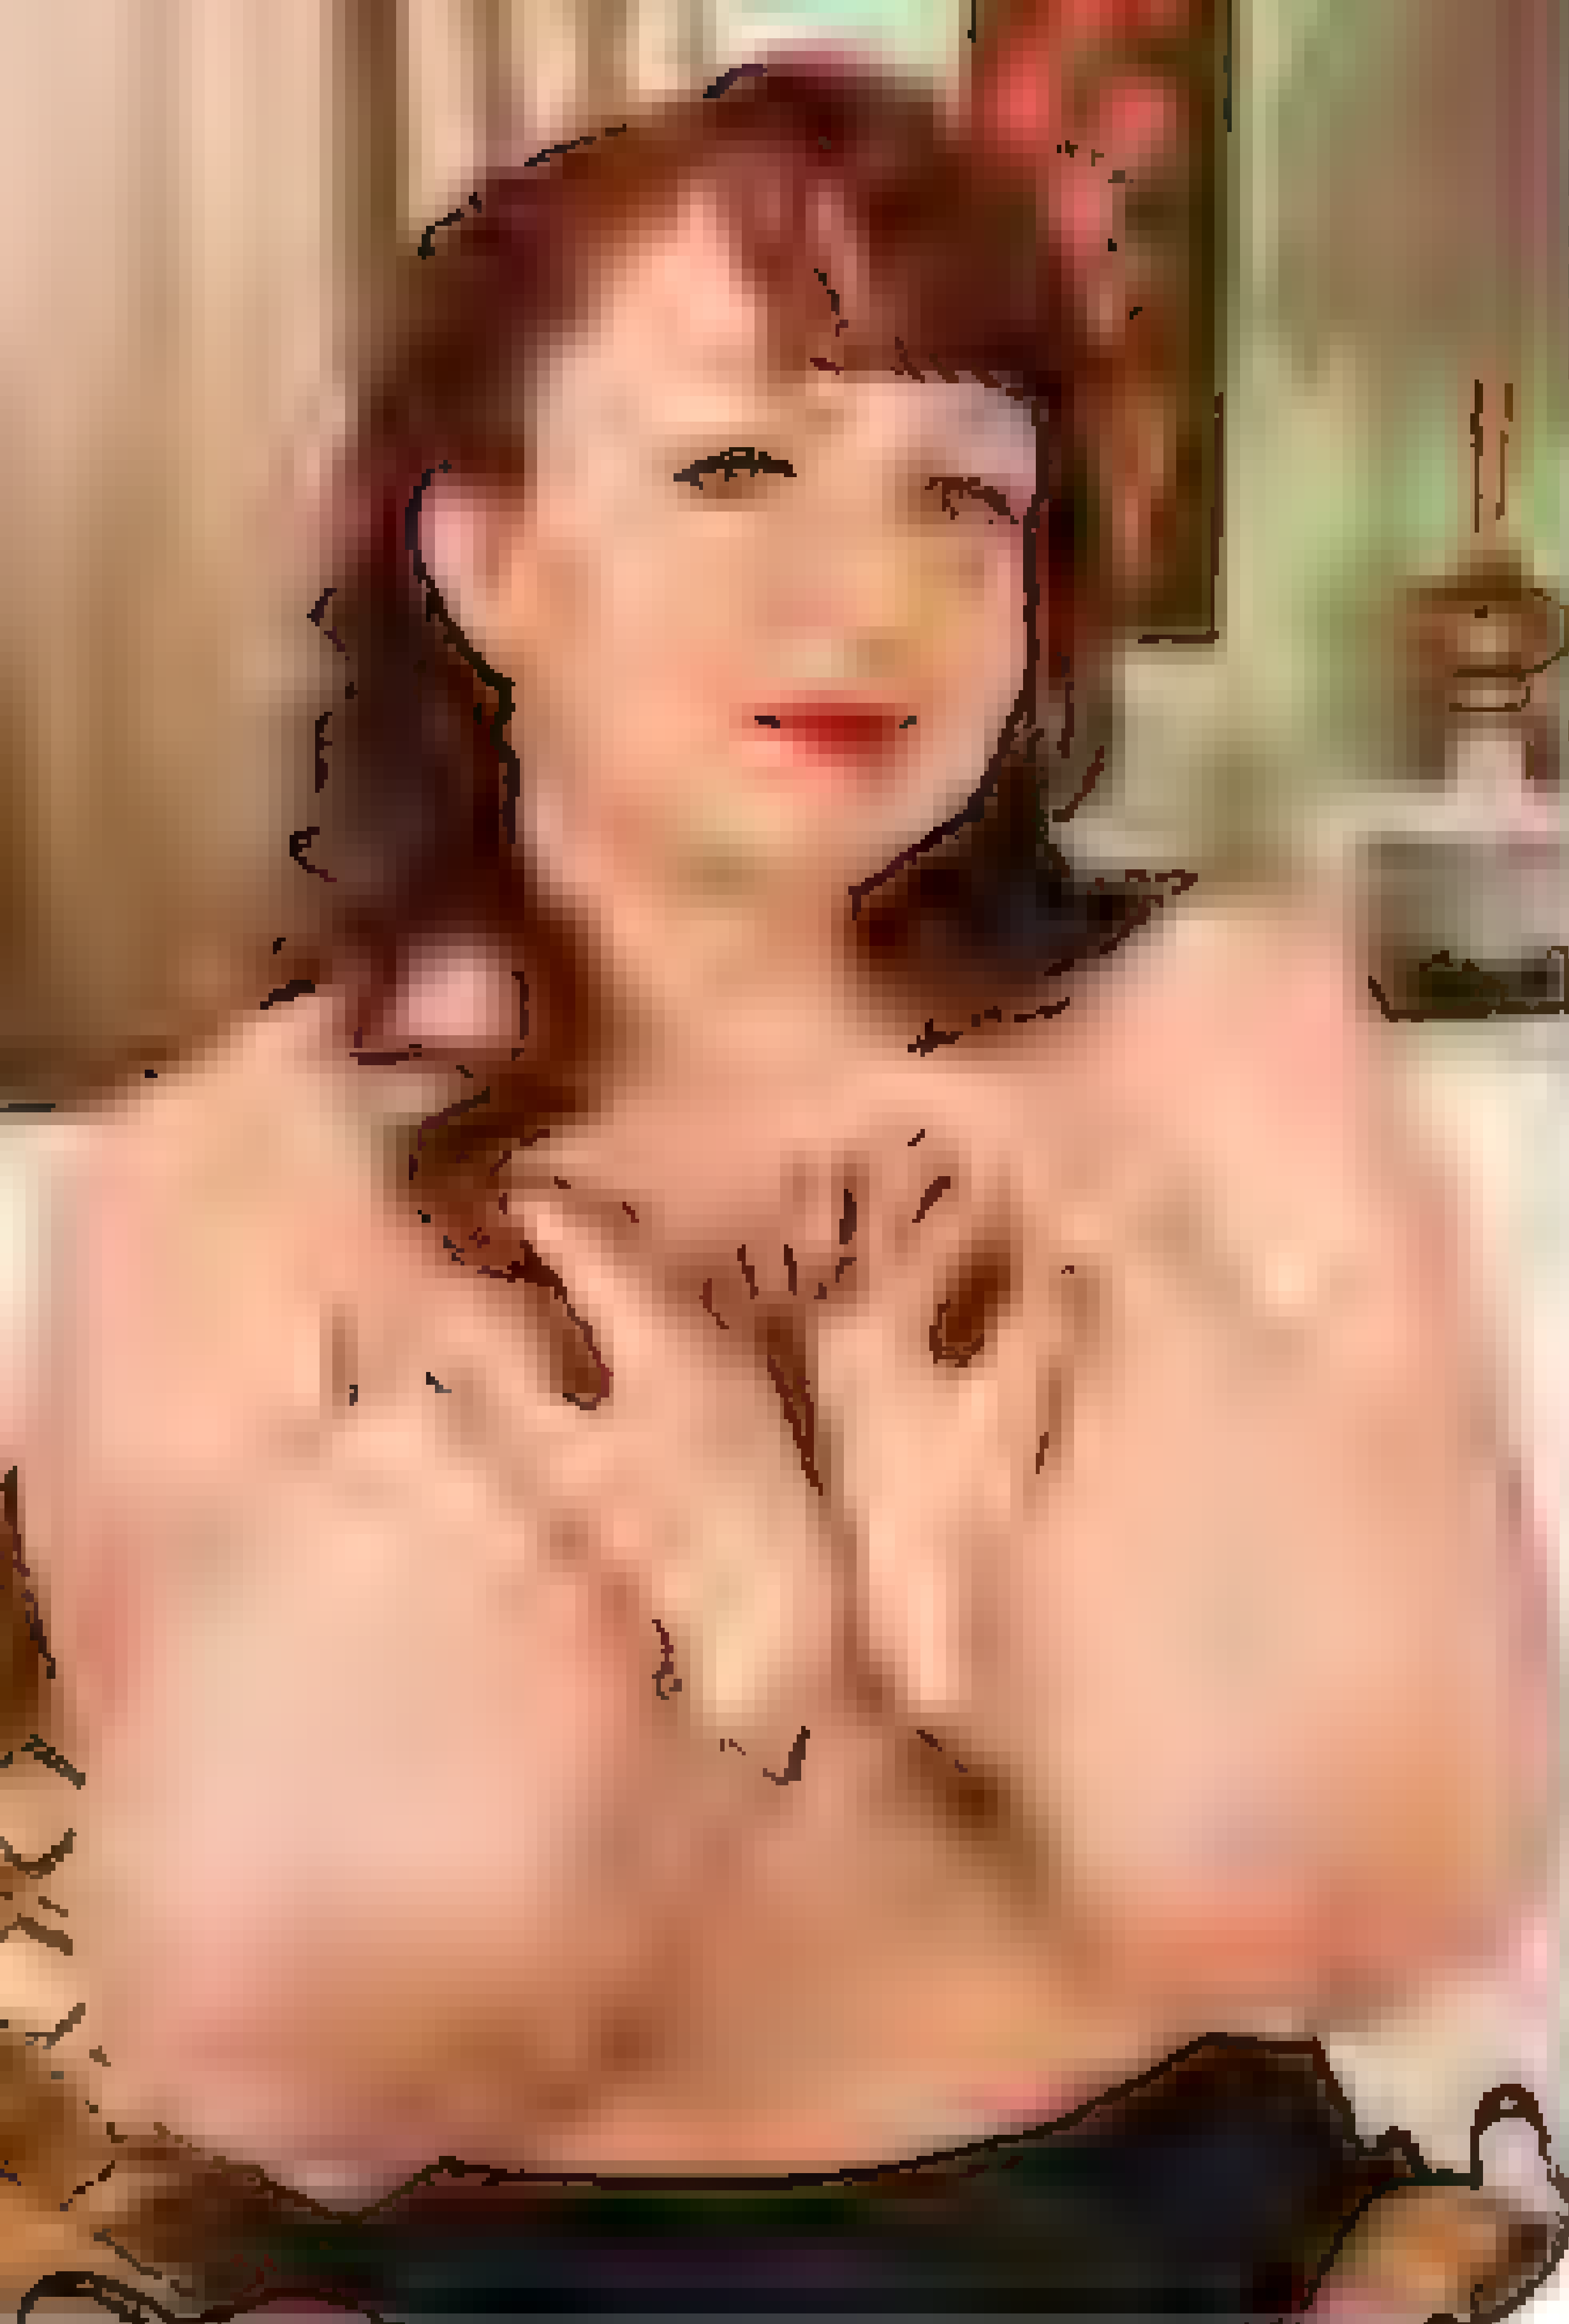

# Horny Housewife

Of course Cherry, who loves dressing up in all sorts of retro outfits was all for this idea. So behold! Our beloved Cherry Brady as the horny housewife. It isn't too much of a stretch of the imagination to think that Cherry really dresses like this to do

some light vacuuming in her house. Especially when she owns more sexy lingerie and bras and panties than any other model your V-mag editor has ever met. Not that we are complaining...it was fun to watch her model them in our studios!

# That Thick Chick

Charlie came to us by way of BeAScoreModel.com. She decided to send in her pics and give modeling a whirl. She wears a 38G bra because she says that her big boobs always need support. One look at her hefty hangers and we would like to support her boobs 100%, too! Charlie told us that she is single and likes to read and spend time with her two dogs.

Charlie has a full time career when she is not modeling. On her down time, she likes to read and walk her pitbulls. She also likes to watch *NCIS*, *Grey's Anatomy* and the movie *Twilight*. Charlie says that she is looking for someone to date and wants a smart guy. She likes confident men with a good sense of humor and a take-charge attitude. The worst comment a man can say to her is some crack about weight. Cheesy, smarmy pick up lines are something else a guy should avoid. If you would like to see more of Charlie, check her out on [XLGirls.com](http://XLGirls.com)!

The stacked scene you are about to witness comes from a little masterpiece called, *Big Boob Finishing School*, a tale about busty women whose sole goal in life is to learn about how to use their ripe racks to please the men in their lives. In this moment in the film, we find a novice Sophie Mae coming to the experienced Arianna Sirn for lessons on how to touch and tantalize her man in the bedroom. While we normally hate spoiling a movie for anyone, we feel the need to blurt out, "THEY GET NAKED AND TOUCH EACH OTHER!" But don't take our word for it. Check it out for yourself.

The first thing that Arianna sets about teaching Sophie is that men need to be fed and fellated. In that order. She shows her how to suck a cock using the age-old cock-sucking tool...a banana. Naturally, cock-sucking lessons would be incomplete without a little bit of titty-fucking 101, which is why Arianna quickly jams this banana between Sophie's jugs and shows her that in order to be a pro at titty fucking you have to use your mouth for extra slippery saliva and lube action.

After the banana portion of the lesson, Arianna quickly strips down and takes all of Sophie's clothes off, too. Why? Because Arianna knows that the best way for a woman to please her man is naked! Sophie seems shy and reserved at first, but she is soon overwhelmed by all the tit power that Arianna possesses and she decides that she needs a closer look at her big tits. She gets her face deep into Arianna's cleavage, grabbing and kneading her plush rack and then eventually going in for a quick taste. While she may not have learned the art of pleasing a man completely from just this one lesson, we are fairly certain that Sophie Mae's well on her way to being a man pleasing pro!

## SOPHIE MAE NEEDS TO GO ALL THE WAY!

Dear Voluptuous,

I have been a huge fan of Sophie Mae's since she made her debut in the December 2009 issue. Each time that she has reappeared on your pages, she looks even better than the last, too!

So, I am wondering why she hasn't gone all the way and done some hard-core, yet? I really want to see her fucking on film already. I am a big fan of her bellydancing videos on SCORELAND and I would like to see her employ those sexy shimmy moves while impaled on a stiff dick. At the very least, she could maybe amp it up a little and do some sexy lesbian scenes.-S.W., via the Internet

Dear S.W., To the left you will see a video ad for Big Boob Finishing School. (You can score a copy on page nine of this issue.) In this movie, you'll see Sophie Mae go a little hotter and wilder with an entire cast of sex kittens like Valory Irene and Arianna Sinn. It's not to be missed!

Readers who want to see Sophie Mae turn up the heat should score a copy of Big Boob Finishing School on page nine.

This is Lexy Mae. She's new to V-mag and modeling, too. She has a great body and some serious DD-cups. If you saw her walking down the street, you'd say, "Holy shit, look at the rack on that girl!" Then you'd say, "Holy shit, look at the legs on that girl!" Then you'd look over your shoulder and say, "Holy shit, look at the ass on that girl." But when she walked into our studios, we said, "Holy shit, is she busty enough for V-mag?"

The question sparked an intense debate amongst V-mag staffers and your V-mag editor. Some said her tits were not big enough, but there were those of us, myself included, who thought that her full, pierced titties and her juicy, pierced pussy deserved a once over by you, the readers. So in the end, Lexy became a V girl. We hope you agree with our choice!

## TAYLOR STEELE

Continued from page 28

**TAYLOR STEELE:** Yes, and it is much more fun than working the drive thru!

**V-MAC:** What do you like about modeling, Taylor? What are the best parts?

**TAYLOR STEELE:** I feel like I am a princess. I get my makeup done. I get my hair done. I get fed. I get to show everybody my boobs and my pussy and it's a lot of fun. It is really fun.

**V-MAC:** So, I guess it's safe to say that you are a sexhibitionist, right?

**TAYLOR STEELE:** Yeah, I am. I mean, I could do this for life. Like, forever. Until I am like 130 years-old.

**V-MAC:** Wow! Well, if your boobs still look this good when you are 130, I think we'd be okay with that.

**TAYLOR STEELE:** Well, even if they are not, I would love to be in *40something* and *50PlusMilfs* magazine when I am that age. You know, just keep going.

**V-MAC:** So you used to work in a drive thru? Do you have any crazy stories about the drive thru?

**TAYLOR STEELE:** Well, I used to work the drive thru and I know what it's like to work it all night. So this is a true story, now when I go through one, I show the guys there my tits. Because I feel bad for them. They are stuck there all night. So I show them my tits and they are like, 'Wow! You just made my night!' And I tell them, 'The pleasure is all mine, believe me.'

**V-MAC:** That is hilarious! So what kind of vehicle do you drive?

**TAYLOR STEELE:** I actually don't drive. I pay for a driver sometimes.

**V-MAC:** So you are in the backseat and you just roll down the window and get your food and flash people?

**TAYLOR STEELE:** Actually, my best friend drives me everywhere. Her name is Samantha. Hi, Samantha! This is a shout out for you, girl! [Laughs.]

**V-MAC:** Does she have big tits, too?

**TAYLOR STEELE:** She has, like, normal tits. They are like a D-cup. But she has the biggest ass you will ever see! She could actually be in *BootyLicious* mag! I have tried to get her to model. She totally should do it.

**V-MAC:** So, tell us about your boobs being noticeably bigger these days.

**TAYLOR STEELE:** Well, I guess that they do kind of spill out of my top a little more these days. [Laughs.] Like I said, I

**V-MAG:** What size bra are you now?

**TAYLOR STEELE:** Well, I was a G-cup before, but since it is so hard to find bras in Canada, I would always squeeze into an E-cup. So, now, I think I am an H-cup, but I am still squeezing into an E-cup and I am always spilling out of it, everywhere. My bras cannot contain my big tits.

**V-MAG:** And where do you buy all of these bras that you spill out of?

**TAYLOR STEELE:** I shop at La Senza, and that's a Canadian store. But if I come to the States, I really want to shop at Nordstrom. I hear they have big bra sizes in that store.

**V-MAG:** So you are like a fancy girl?

**TAYLOR STEELE:** Yes, I love their bras. They support my boobs well.

**V-MAG:** So how do you know the bra fits you right? What is it that you look for when you are trying one on?

**TAYLOR STEELE:** I like them to make my boobs look round. I like them to be supportive. And I like for my boobs to look like they are spilling out. I like a lot of cleavage. That's hot.

**V-MAG:** Do you like underwire? Or maybe sports bra?

**TAYLOR STEELE:** I like underwire because it provides a lot of support. But I think that mainly, I like them to look colorful. You know...pink, green, blue, red. I like them to be all the colors of the rainbow.

**V-MAG:** What kind of guys do you like?

**TAYLOR STEELE:** Um. I like guys with big cocks! [Laughs.] Actually, I like guys who like big tits and pay attention to big tits. Guys who are going to treat my big tits right. The kind of guys who like to read *SCORE* and *Voluptuous*. And they have to love my pussy, too. You have to love my pussy to sleep with me and fuck me right.

**V-MAG:** Do you think you can tell when a guy is a big tit fan? How do you know when he is into them?

**TAYLOR STEELE:** When he is grabbing his crotch because he is getting wood in there from staring at my tits. Or when I am walking down the street and they are staring and try to talk to me.

**V-MAG:** Do you turn a lot of heads when you are out in public?

**TAYLOR STEELE:** Yeah, if I am looking this good, of course.

**V-MAG:** What kind of outfits do you wear when you are out? What is your favorite thing to put on?

**TAYLOR STEELE:** I like, um, tight jeans. I

also like to wear high-heels and tight shirts that show off my tits

**V-MAG:** So you are kind of a laid-back girl. Not really into being too fancy and dressed up all the time.

**TAYLOR STEELE:** Yeah, as long as my jeans are so tight that you wonder how I got them on and my shirt is so snug that you can see my tits, I am good

**V-MAG:** So, we flew you out here to the Bahamas because there was something special that you wanted to try.

Something you have never done on camera before. Why don't you tell us a little about what that is?

**TAYLOR STEELE:** I want to get a huge cock in between my tits and then I am going to jerk it off until there is cum all over my tits. It's gonna be really fun!

**V-MAG:** So, why is it that you want to do that? Do you think you are good at giving these kinds of jerk jobs?

**TAYLOR STEELE:** Well, we will see, won't we? I think I am, but I will let all the fans be the judges of that.

**V-MAG:** On a scale of one to ten, how good do you think you are at this?

**TAYLOR STEELE:** Well, every guy is different, but I am going to say on average, I am a 10. At least with the tit jobs, for sure I am a 10

**V-MAG:** So, do you have any specific tit tricks that you do? Like, what do you think is the fastest way to get the guy aroused and ready to tit fuck?

**TAYLOR STEELE:** Well, I think the best way to go about it is if I lay down on my back and he gets on top of me and fucks my tits that way. I think it's more fun that way, especially when he cums all over my tits. Oh, yeah.

**V-MAG:** Okay, so since you consider yourself a professional when it comes to giving these tits and tug jobs, can you tell us what you prefer; artificial lube or old-fashioned spit?

**TAYLOR STEELE:** Um, I think I prefer using lube just because it's greasier and more slippery and fun. It gets everywhere and it's messy and that's good. Sometimes, spit is just not enough. But, if you are good at what you do, they can both be amazing.

**V-MAG:** We'd like to ask you if you have ever jerked a guy off without even using your hands?

**TAYLOR STEELE:** Yes, I have and I finished the job, too.

**V-MAG:** From just using your tits? Just tits and not hands?

**TAYLOR STEELE:** Yes, I have.

# Chesty Chef

**Simona**

This is Simona's third appearance in V-mag and every time that we see the busty Czech MILF, we give her a stiff salute of approval. Not only is this cougar packing curves that could be hazardous to your cock's health, (You'll jack till it hurts, man!) but she also decided to model so that she could stay young! That's right, Simona started modeling in her late 30s when she decided that the fountain of youth was powered by all of the cum that fans spewed out for her. She says that as long as men all around the world are stroking their salamis for her, she still has "it." We like her philosophy!

**Simona**

Birthday: March 6, 1973  
Age: 38 Height: 5'5"  
Weight: 140 lbs. Bra: 38E

"I became a model late in life compared to most of the models in my country," Simona said. "Almost all of the models here are 18, 19, 20 years-old. But as a mature woman with big breasts, I feel sexier than ever. I realized that age is just an attitude, not a number you are chained to. Now, I have sex with men in their 20s and I teach them a thing or two!"

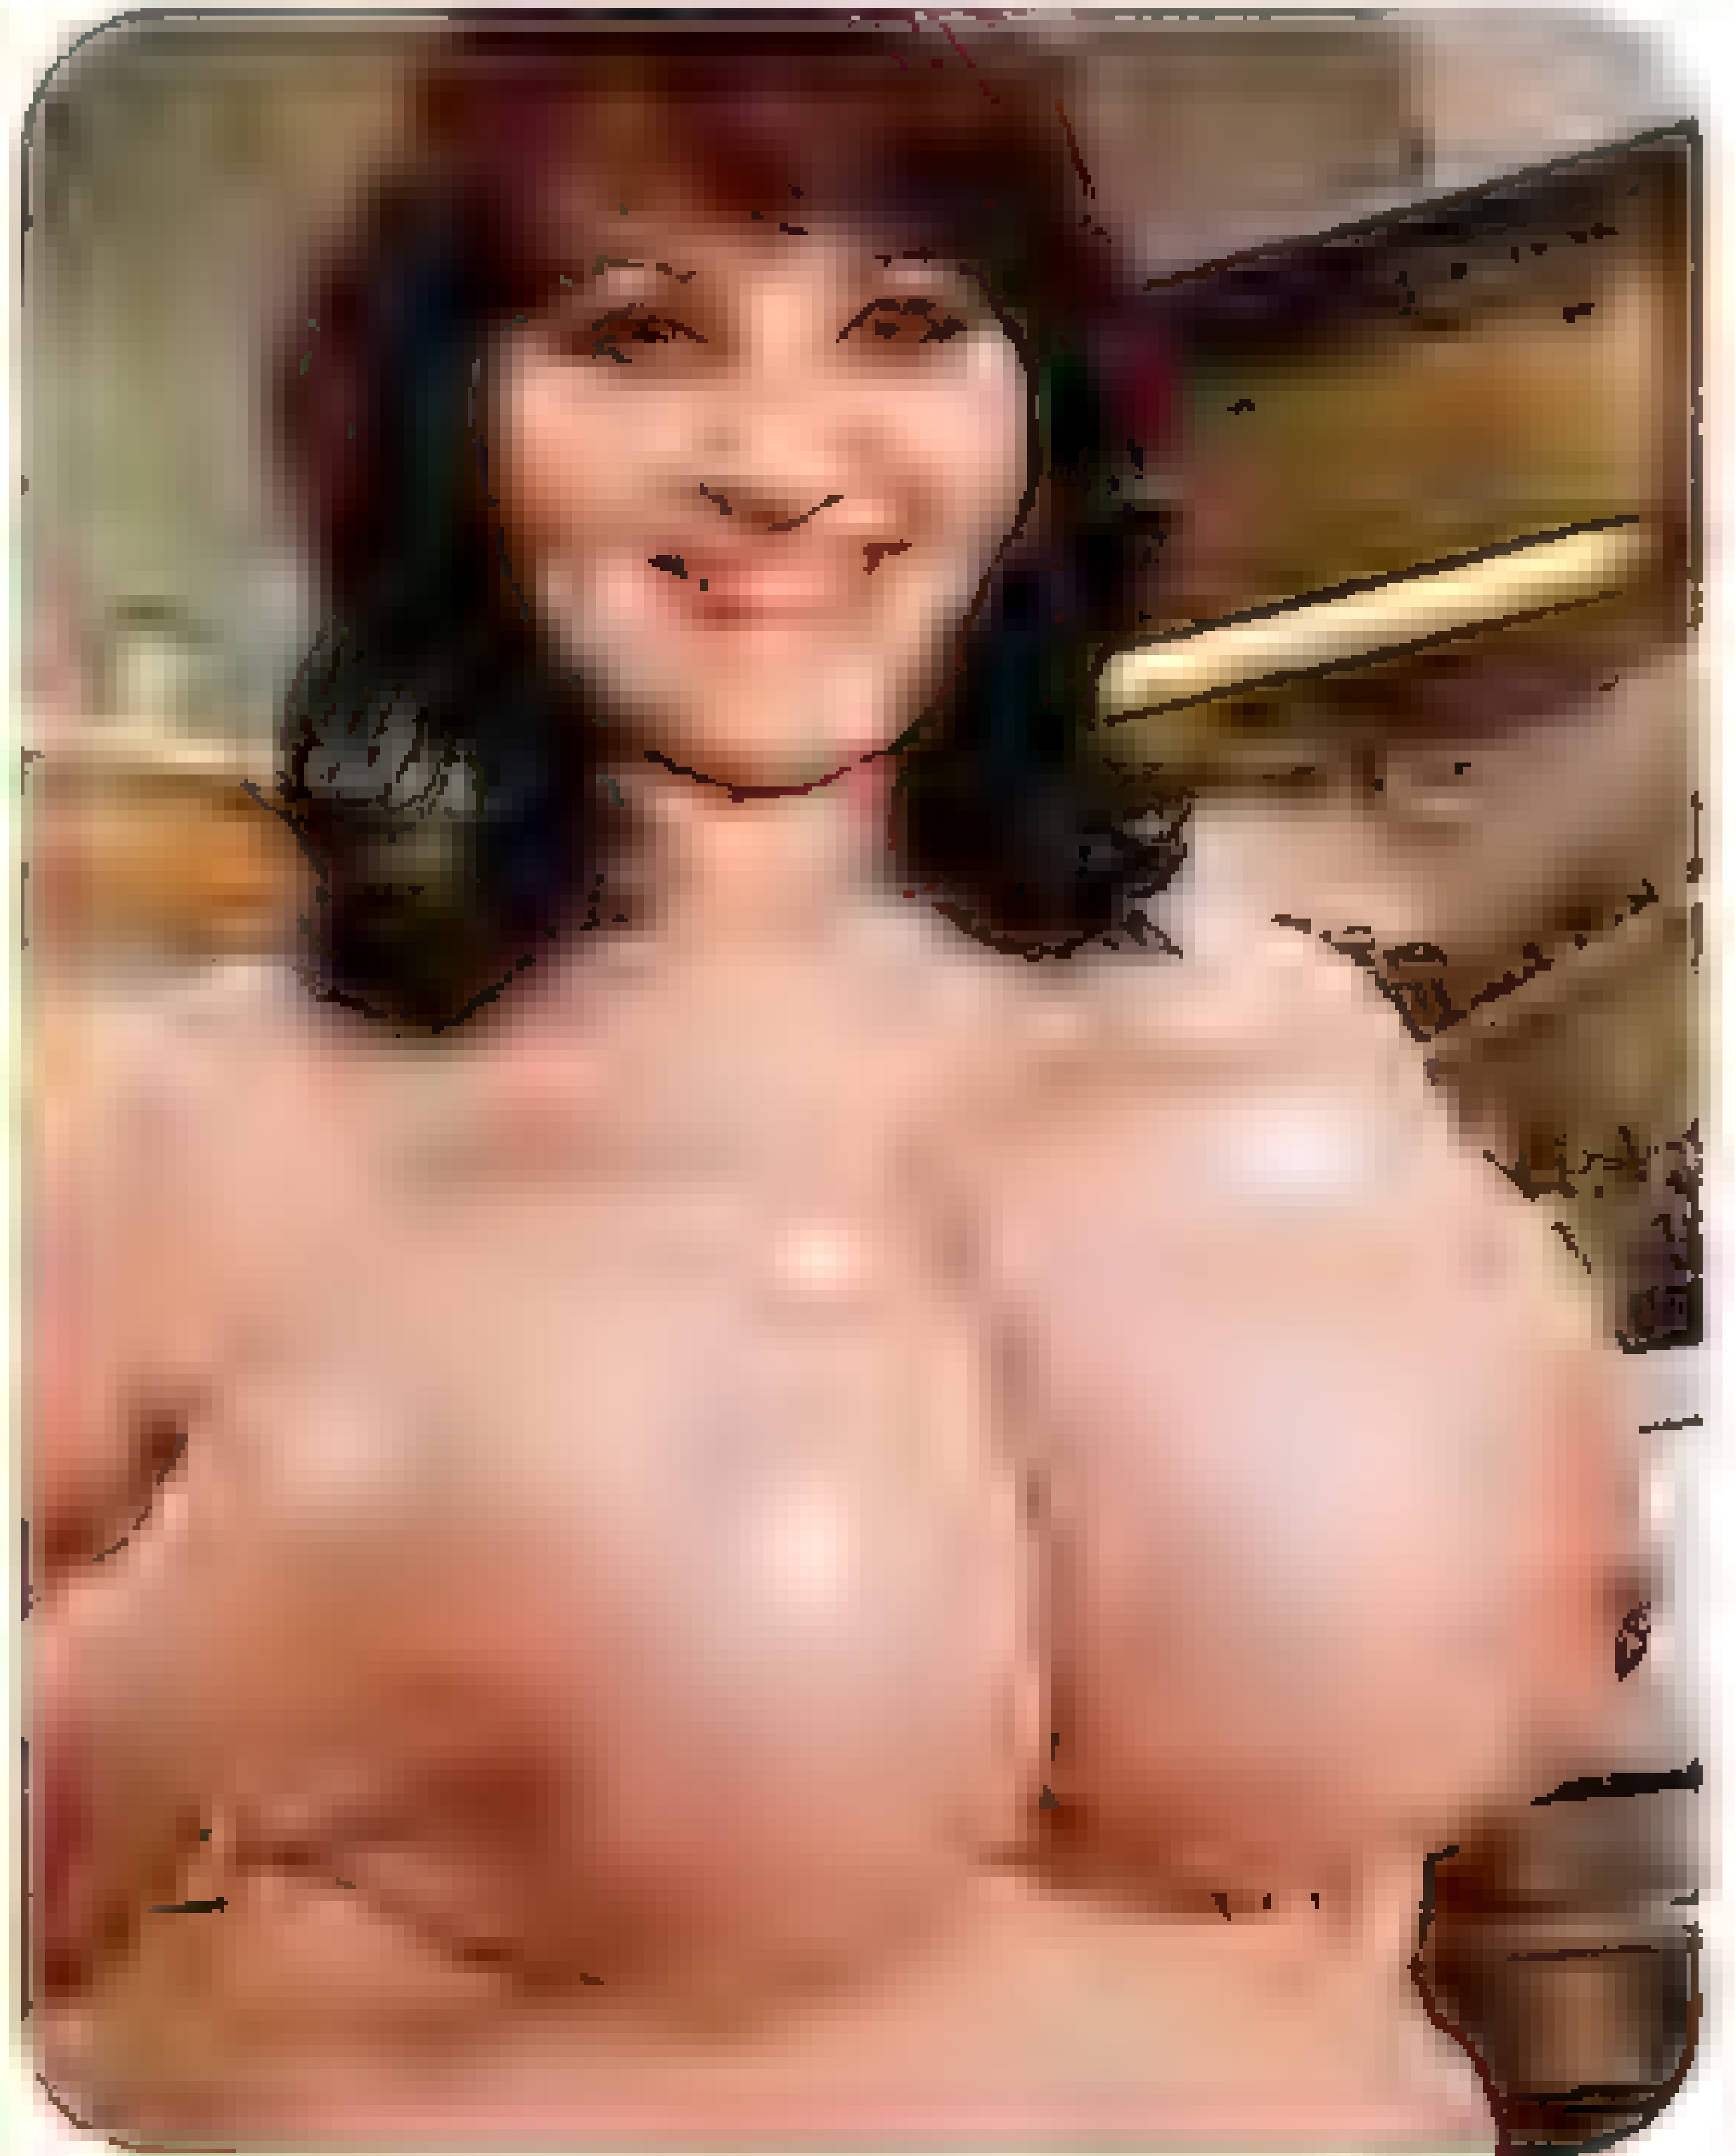

Release: StoreMags & FantaMag

Simona lives about an hour's drive north of Prague and loves the pace of life there. She told us that she masturbates every day when she's not getting any cock action and she had no inhibitions whatsoever about sticking a big, thick toy inside her meaty pussy, smiling with every stroke. "Every time that I have an orgasm, I feel free from stress and I am energetic and happier. Orgasms keep me young!"

## TAYLOR STEELE

Continued from page 78

**V-MAG:** And he nutted from just having his cock in between your boobs?

**TAYLOR STEELE:** Yes, he did. I am pretty good at it. Sometimes it only takes, like, ten seconds and Boom! A guy is cumming, just like that. And I am not lying. I don't overexaggerate.

**V-MAG:** So, do you think you can do that for us here today? Or would you like to use your hands, too?

**TAYLOR STEELE:** I would like to use both my hands and my tits today, but I am going to show you how good I am.

**V-MAG:** Well, we have a special surprise for you because we are ready to go right now. The sun is setting in the Bahamas and you are going to do your first tugjob for all of your fans. Are you ready for this, Taylor?

**TAYLOR STEELE:** Yes, I am. Let's do this!

**V-MAG:** So, let's get that stud in here so you can show us how it's done, Taylor. [The stud comes in and lays on his back in front of Taylor.]

**TAYLOR STEELE:** Oh, hello there! [Leans down and puts her tits in his face and he sucks them.] That's right baby, suck on my big titties. Mmm. [Starts stroking his cock through his pants and getting it hard.] Oh, you have a nice, big dick for me, don't you. Oh, and it's nice and hard, too. Mmm. I am going to make you cum so fucking hard right now. Are you ready for this? Because this is going to be the jerk of your life. And the tit fuck. Mmm.

**V-MAG:** So, tell us what he is doing, Taylor? What is he doing to your tits?

**TAYLOR STEELE:** He is sucking on them now and I like it a lot. [Straddles stud and drops her tits in his face.] You like big tits in your face, baby? You want me to slap my titties all over your face? Mmm. This is fun. I love being a little whore. I am really excited to touch your cock, baby.

**V-MAG:** Are your tits important during foreplay, Taylor?

**TAYLOR STEELE:** [Grinding her pussy on his still-covered cock and mashing her tits into his face.] Tits are really important because they get a guy hard and when he plays with them, and sucks on them, it turns me on. It makes me want to do more things to make him cum harder. It's like a give and take. He turns me on and I make him cum. [Slides down off of stud and unbuckles his

pants while smiling at the camera.] Mmm. I can't wait to see your cock, baby. This is going to be so exciting. I have been waiting for this all day. You have no idea. Mmm. It's such a big cock, I am going to get it nice and wet, too. *[Pours lube all over his cock and starts jerking it off.]* Oh, wow, look how hard you are for me already. Mmm. What a nice cock you have. I am going to make you feel so good, baby. *[Spits all over his dick while stroking it.]* Mmm. I love being a whore for you. I want to smack your big cock all over my tits. Mmm. I am a cock whore, baby. It's such a nice cock, I can't wait to make it erupt everywhere all over my big fat tits! *[Wraps tits around his dick and starts tit fucking him while spitting all over her cleavage over and over.]*

**V-MAG:** Is it important for you to talk dirty while you give a tug job?

**TAYLOR STEELE:** *[Stands up and pulls off clothes, turns around and rubs her ass all over stud's dick.]* Dirty talk is important because it shows your partner that you are into it and it really turns me on to say dirty and nasty sh.t to a guy when I am with him. Guys are more visual, so for them, it's all about seeing you do these nasty things to their cock. But women don't get off like that. I find that dirty talk helps to take my mind to the place it needs to be at so that I can cum. *[Kneels in front of stud and takes his tits between her tits and tugs really fast.]*

**V-MAG:** How fast do you think you can make him cum, Taylor?

**TAYLOR STEELE:** Oh, *[Jacking really fast with her tits and spitting.]* I'd say he is going to coat my fat titties with his cum any second now. Aren't you baby? Mmm. I can feel your cock twitching in between my soft, fat tits right now. You are going to cum all over my tits and my face and my neck, aren't you? Mmm. Give me that cum, baby. *[Stud cums all over her tits and she continues jacking him off with her tits.]* Oh, that's not all of it, is it? Oh, there we go! That's right. Give me all of your cum baby. *[Starts spreading cum all over her tits and lifts her breast to her mouth and licks some off.]* Mmm. I love warm cum, don't you. It tastes so good. That was fun, wasn't it? I had fun!

**V-MAG:** Wow! So that's how you milk a cock in just a few minutes? We are very impressed, Taylor. You are a 10!

**TAYLOR STEELE:** I told you I was good at this! Mmm. You let me know if you want me to prove it again!

When Analee unleashed all of her curves in the March 2011 issue, many of you were shocked that she had such a big set of tits AND such a curvaceous ass, too. (In fact, we had to feature her ass prominently on the cover of the March 2011 issue because we thought it was so round and ripe.) Now, Analee is back and she is showing us what she can do with all of those curves. And while we are often surprised at how fast some models do XXX, we weren't at all surprised when Analee told us she was ready to rock a cock on camera. After all, she did tell us that she wants to be serviced by multiple men!

Analee Sands said a friend told her that she would be a perfect model for V-mag because of her curves. She looked at our site and decided she would be a perfect model because of her libido. You see, Analee loves sex. Really loves sex. Enough to have sex in front of a camera and a cameraman. Many times, in fact. Not that we are complaining. We applaud her gusto!

And what did Analee say was her favorite part of filming this raunchy hardcore scene in our studios? "I loved that people were watching me. I also loved all the cum! After the scene was over, I kept playing with the cum all over my tits. I think hot cum feels good on my skin. I am always so amused when women say they don't like being cum on. Clearly, they don't get the loads I do!"
